Olde Providence Racquet Club is pleased to have *Fine Thyme Creations* serving quality sandwiches at the club during mid-day hours on Monday, Wednesday and Friday.

Fine Thyme Creations offers OP members and guests a selection of healthy sandwiches and drinks. Give the sandwiches a try and be sure to let Cathy know your suggestions! The club is testing out this service during league season to see if you like it.

Cathy will be at the club on most Mondays, Wednesdays and Fridays during league season. By 9 AM on those days, she will have a menu table set up near the court sign-up board, so you can place your order before you go on the court to play morning matches. Cathy will prepare sandwiches in the OPRC catering kitchen to be ready for you after your match! Copies of the menu will also be available in the pro shop, so you can pre-order sandwiches a day or more in advance.

This service is available to all OP members and guests, not just league players. This food service will be available until a little after 12:30 PM on Monday, Wednesday and Friday. Members may club charge, non-members may pay by check or cash.

Here is a sample of the sandwich menu:

Chicken salad with field greens on fresh whole wheat	<b>\$5.00</b>
Egg salad with fresh greens on fresh whole wheat	<b>\$5.00</b>
Roast turkey with brie, field greens & cranberry mayo on fresh bakery roll	<b>\$5.50</b>
Rosemary ham & cheddar with field greens & honey mustard on fresh roll	<b>\$5.50</b>

All bread and rolls will be fresh baked and delivered daily from Nova's Bakery. Since this is a "boutique" catering service, pre-ordering helps Cathy to insure that there is minimal food waste and that you get the freshest and best ingredients!

A selection of drinks, chips and home baked goods are also available.

*We hope you support this great new service  
at OP and give Cathy your suggestions!*
